Mini-Medical School for Librarians*

Sponsored by the New York/New Jersey Chapter of MLA

Location: Fashion Institute of Technology

David Dubinski Student Center (Building A)

Faculty Dining Room, 8th Floor

27th Street & 8th Avenue

New York, NY

Time: 8:30am - 4:45pm

This exciting program will provide health sciences and public librarians who work with consumer health issues with an introduction to the basics of clinical medicine. The day-long event will include a series of seven tailored lectures given by health professionals on a variety health sciences topics.
